

ACCESS AREA DETAILS

The areas marked on the map and identified by an alpha code are available to accredited photographers on the proviso that:

- At all times photographers remain at least one metre behind the first line of protection at all locations.
- An approved “BIB” is being worn.
- That the photographer has signed the indemnity form with TMP Ltd, event organiser or their designated representative.
- Officials located at any of these locations are not hindered in anyway with their designated duties.
